Registered Charity No. 516516

The North East Council on Addictions

NECA

is the largest Regional Charity working in the area of Substance use/misuse.

With over 30 years experience in the delivery of services including:-

Advice & Information

Assessment & Report Writing

Counselling

Access to Alternative Therapies

Assertive Outreach Work

Supported Housing Schemes

Needle Exchange Services

Consultancy

Education & Training Events

Drink/Drive Rehabilitation

Community Link Workers (Probation)

Our remit includes all forms of substance dependency including Illicit Drugs, Alcohol, Prescribed Medication, Over the Counter Preparations, Nicotine, Solvents & Gases and Gambling.

Our work in partnerships has included Probation, Health, Social Services, G.P's, Primary Care, Prisons, Independent Service Providers, Schools, Colleges, Voluntary Organisations and working actively as part of multi disciplinary teams.

We currently are involved in delivering services to Specific Client Groups which include:-

Under 16's

Young People

Women's Services

Mobile Needle Exchange Users

Offenders

Asylum Seekers

Non User Support

Carers

All services are underpinned by:

NECA's Database, Regional Database Recording, Ongoing Monitoring, Evaluation & Quality Assurance, Successful Systems & Innovative Service Developments.

Housing

NECA provides Housing in Sunderland, Gateshead and Wansbeck with the aim to provide short term, fully furnished supported accommodation to single people, who are homeless or whose accommodation prevents recovery from substance dependency. The support includes life skills training with the aim to help the service user move on to independent living.

Training

NECA Training staff are fully qualified, and offer a diverse range of training programmes, which can be tailored to specific requirements. Courses are available covering Vocational Training, Personal Development, Customer Service and Professional Development. NECA training are committed to ensuring all learning needs are met, utilising a wide range of methods and resources.

Drink Drive Rehabilitation

NECA has contracted with the Department of Transport to cover the North Eastern Region delivering courses and training for those people who have been processed through the courts for Drink Driving.

Complementary Therapy

Providing a range of treatments and therapies proven to be effective in enhancing treatment programmes for drug users. This includes auricular acupuncture, aromatherapy, reflexology etc.

Semi-Independent Living Scheme

Providing supported housing to clients experiencing substance misuse problems. This is undertaken in partnership with local authority and housing associations.
