

A Night in the life of a Clubber

7.30pm met Katie at the metro station 8pm couple of drinks in first bar. Caught up on gossip. 8.45pm hit the next bar for a quick cocktail 9.15pm 70's bar for a dance. A bit quiet so we left after one drink.

9.45pm Town is really busy now, taking ages to get served. 10.45pm quick drink and a dance before hitting the club. 11.30pm Club is already filling up...going to be a great night, I can feel it. 1.15am

Lost Katie on the way back from the toilet. She has either gone home or is chatting someone up. 1.30am

Met Stu and Tony, two really nice guys...seem like a good laugh. 1.45am quick dance with Stu while Tony went off to the bar to get the drinks in.
